Dedication

To God, the Great Restorer, and Waymaker

Introduction

In a world where emotional wellbeing is becoming a major issue, the power of positive thoughts words cannot be overlooked. God fleshed out this beautiful world with positive declarations “Let there be”. He called everything into existence and put that same creative energy in every man. Our imaginations and declarations are potent enough to shape our lives and shift the atmospheres around our lives.

Positive words spoken out of divine revelation are a wellspring of healing and hope while negative words are weapons of mass distraction and depression.

If reading a negative report can break one's heart, then, reading and declaring positive affirmations can rebuild and transform lives.

Gracious words are a honeycomb, sweet to the soul and healing to the bones. (Proverbs 16:24 NIV)

You can change your world by changing your words, attitudes and actions. This season, more than ever before, it is important to speak life over yourself. Positive affirmations need positive actions. Don't just declare, take steps of faith that will activate your affirmations. It is vital to spend time to develop a healthy lifestyle and also do positive things.

Reviews

I have always been one who internalizes the Word of God. I will go through my challenges and not readily speak about them. I have found that Whispers of Winners has been an intentional Word God has sent directly to me. The scriptures have been on-time each day. I'm appreciative of the daily affirmations, and how the Lord has strategically used them to inspire and encourage me through the days. Causing me to indeed believe that I am a winner.

I shared it with my groups and I found that other members share it on their social platforms as well.

(Lafieta Chisholm- Sistering Group of International Intercessors. Jamaica)

I love the Whispers for Winners daily affirmation book. It's one of the best part of my devotions and allows me to declare the Word of GOD over myself and my loves. A lot of times it is exactly what I need to hear to go throughout the day as anxiety and fear comes, I can repeat the words of the declaration over myself and speak into the situations.

Shannon Sterling (Jamiaca)

I must say that Whispers of Winners declarations helped me a lot. I would use them at work during our morning devotions as well and I've seen how each declaration would speak to my coworkers. The book is always reminding us who we are and whose we are.

Shanagaye Grant from Jamaica

God called everything into existence and He put that same creative power in every man. Through this, a lot can be shaped in our lives by the potency of our words.

This book, *Whispers of Winners* is a wonderful pool of scriptural affirmations and gracious words which are timely and bring healing to those who declare every word with faith.

Whispers of Winners provides seasoned declarations for each month and positive words of affirmations for each day to brighten your day with God's beauty.

Damilola Bamgbose

(Founder, Armour Bearer Network, Nigeria)

The book has been of great help to me, helping me to declare new positive words to myself daily. It's like taking a dose of God's word and affirming it into my life and through my day.

Instead of being negative, it has helped shift my focus to immersing my thoughts in positivity and light.

The whispers of winners is indeed a must-read for all winners. Since we live in a tragic world, (especially this part of the world) and what we see daily is more gloom than good it's only beautiful to be able to hold onto something encouraging daily.

Mary Olaseni (Kaduna, Nigeria)

Whispers of winners is indeed a winning guide. It is faith-building and above all, a good way to affirm positivity in my life every morning. I also have friends who repost each day's affirmations on social media. Thanks so much for this sir, God bless you and inspire you more in Jesus' name.

Blessing Thaddeus, (Lagos, Nigeria)
